

REMARKS

The Examiner is thanked for the careful review of the application and the allowance of claims 1-6, and 19-21 and the indication of allowability of claims 8-13.

In accordance with the Examiner's suggestion, the Applicant has amended claim 8 and 11 by writing them in independent form incorporating therein all of the limitations from claim 7 from which they originally depended.

Claims 8-13 are now in an allowable format.

Claims 7 and 14-18 are cancelled.

Again, the Examiner is thanked for the careful examination of the application, and early notification of allowance would be much appreciated.

Respectfully submitted,

John R. Mitchell
